📁 Professional Experience

Junior Frontend Developer

04/2022 – present | Warsaw, Poland

- Took *The Web Developer Bootcamp 2022* by Cold Steele on Udemy which helped me learn HTML, CSS, JavaScript
- Participating in *The Odin Project*, which is focused on frontend self development
- Taking *React Course* by Bob Ziroll on Scrimba
- Completed several projects, which can be found on my Github account

Onsite Support Engineer, Alcon Polska

02/2021 – 03/2022 | Warsaw, Poland

- Maintained the integrity of all computer workstations and associated software within the organization
- Resolved software, hardware and device issues reported by the end users
- Worked with the project management team on PC builds
- New staff on-boarding participation

Senior IT Service Desk Specialist / Trainer, Nordea Bank

09/2018 – 06/2020 | Warsaw, Poland

- Provided IT support (hardware & software) to end users through appropriate channels (ex: IW Genesys, Outlook, Skype, MS Teams)
- Tracked, prioritized and documented all incidents reported to the service desk using the relevant tools such as Remedy, Rhino, Cosmos, Helix
- Trained new hires and conducted refreshing courses
- Prepared training material (ex: presentations, worksheets, etc)

Helpdesk Specialist, Diebold Nixdorf

07/2017 – 07/2018 | Warsaw, Poland

- Served as the first point of contact for customers seeking technical assistance
- Performed remote troubleshooting through diagnostic techniques, using Remote Desktop Protocol (RDP)
- Walked the customer through the problem-solving process & directed unresolved issues to the next level of support

🎓 Education

University "Alexandru Ioan Cuza",

International Relations and European Studies
10/2015 – 07/2017 | Iasi, Romania
